Dear Jeremiah and Amy,

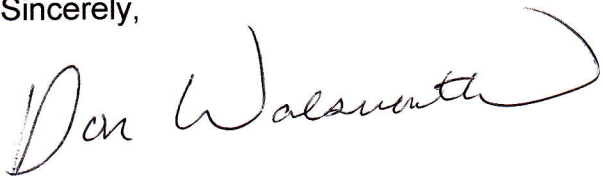

I am pleased to announce that the 2011 Western Christian High School yearbook has been inducted into Walsworth Publishing Company's Gallery of Excellence.

The Gallery of Excellence is a showcase of the company's top yearbooks. Like your yearbook, Gallery books demonstrate true mastery of a yearbook's purpose – to provide thorough coverage of the school year with interesting stories that highlight all types of students using well-written copy, stunning photography and trendy design. Only a small percentage of yearbooks published by Walsworth enter the Gallery each year. In fact, your school competed against 10 schools nationally, with the same caliber and won first place.

Along with this honor, many students and advisers will have the opportunity to see your yearbook. Gallery of Excellence yearbooks are used as examples by our yearbook sales representatives nationwide. These books are loaned to schools to use as idea generators, and are displayed at regional, state and national conventions and workshops. Spreads from many of these yearbooks are used as illustrations in Walsworth's resource materials,

The selection of your yearbook is an acknowledgement of your staff's dedication to producing a high-quality publication. Congratulations on this outstanding achievement. I wish you continued success in your yearbook program.

Sincerely,

Don Walsworth  
President
