Western Christian Schools

**“now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think. Glory to him in the church and in Christ Jesus through all generations forever and ever! Amen” Ephesians 3:20-21**

Dear Parents;

Our school year is fast coming to its close, as we are all busy with year-end projects, making sure we end the year strong. It has, in fact, been a strong year for us here at Western where in addition to the learning and growth taking place daily, we have had some great milestones marking this, **our 90th year, in Christian education.**

Our transition this first year in **the new high school facility**, and **new Upland preschool** has been phenomenal, where we have observed the marked difference the new environment has made in student learning and achievement. Especially in the area of **spiritual growth**, we have seen tremendous strides made among our student body, K-12, particularly now that high school chapels and worship concerts are held in our formal sanctuary in Upland.

Our K-8th grades, this year we are grateful to have begun our **Gifted and Talented program**, where participants are challenged to excel further in creativity and learning.

Our athletics reached new heights this year, with many **awards received in middle school and high school** (for more details look for upcoming annual Showcase of Achievement brochure coming out this Summer)

Our students also **grew in discipleship** as they served in the local community, helped in community service and missions projects worldwide, as well as in service clubs, extra curriculars and involvement in our campus events.

Our Preschool in Claremont added a **new Toddler program** for children 18-months and older and our Upland Preschool enhanced its program as well as its playground facilities offering more to our families.

Faculty Committees have been formed this year to make **improvements across all areas of our academic curriculum** as well as fine arts and extra curricular programs.

Legacy Funds are still coming in, thanks to all participants, **totaling \$182,548 in donations and pledges** to date.

As planned for this year, a portion of these funds were dedicated to establish a **Teacher Endowment Fund**, a first for Western. (A detailed report of the Legacy Fund is presented in the pages to follow.)

*We give God the glory for His faithfulness to Western Christian and*

*His working through us to accomplish all these over the last year.*

We still have over a month remaining in the school year with plenty more to learn in the classrooms and to accomplish for our school. I invite you to join us for the Joint Mixer on May 6 (no alcohol but great food) we are hosting for the Upland and Claremont Chambers at our high school and the Auction, on May 15, at the Claremont campus, for an enjoyable evening as a family. Let me close by reminding you to sign up for Summer School now.

Studies have shown the benefits of a summer program to the overall performance of students, and, to that end, we have designed a full academic and enrichment program to be offered for our students.

Thanks again for your support and partnership, making a tremendous impact on the success of this school and its ministry.

Karen Winter, Superintendent

## Legacy Annual Fund

Accumulation Report - July 1, 2007 to April 23, 2010

<b><u>LEGACY LEVEL</u></b>	<b>\$100,000 and up</b>	<b><u>EMERALD LEVEL</u></b>	<b>\$1,500 to \$2,499</b>
