# The Legacy of A LANCER

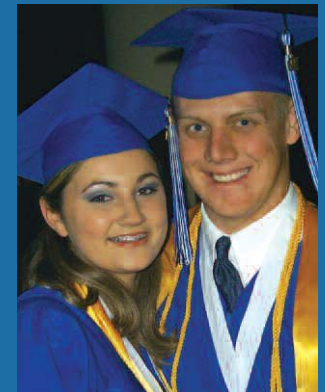

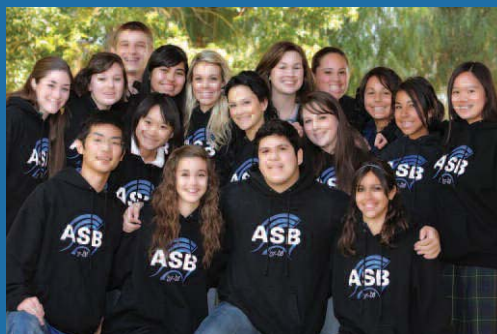

Without a doubt, the most powerful influences on me at Western have been my teachers. Even more than WHAT I learned; I cherish HOW I learned and WHO taught me. They have unselfishly and passionately poured into me and I am eternally grateful!

The faces and memories are too numerous—to pick a favorite leaves out so many... I love them all!

Carly McNeill, Senior,  
has attended Western  
since Kindergarten

Graduates of the class of 2009 have been accepted to universities such as UCLA, USC, Pepperdine, Azusa Pacific University, Biola, Westmont, Purdue, Ohio State, Michigan State, UC Berkeley, and other UC schools such as Irvine, Riverside, San Diego, and Davis. Select students have also received full and partial scholarships for academics and athletics.
